

## Club Champs Wednesday 19th March.

It was another excellent, well attended evening at Bridlington Leisure World on Wednesday 19th March.

Possibly the two most difficult strokes, breaststroke and butterfly, were tackled. 82% boys and 64% girls eligible to compete gained respect from taking part.

They competed well and there were lots of PBs.

There were several finger tip finishes.

Some of these swimmers have never swum competitively but that was not evident from their commitment and enthusiasm.

Well done swimmers.

William Dennis has now completed four of the events and has broken the record every swim.

The breaststroke had been held by S.Bedlow since 1988.

Grace Dennis and Georgina Marsh both swam under the record time in their Butterfly and Fiona Burton missed the record by just 0.04 seconds. 41 Breaststroke and 31 Butterfly PBs were achieved overall.
