

Pocklington Times League

BSC, promoted last season, went to Filey for the first Gala in the Pocklington Times League hosted by Kingfishers.

Coach, Geoff Edmond, commented that it was a cracker of a Gala and one of the best he had been involved in for a long time.

BSC swimmers commitment and effort was brilliant.

The races were highly competitive giving several close, difficult to judge, finger tip finished.

All the way through the Gala it was difficult for the enthusiastic supporters to judge the lead because the four teams Adwick, Kingfishers, Bridlington and New Earswick had wins in different events.

BSC's wins came from 11 & Under boys Medley relay of Jack Dare, Matthew Faulkner, William Dennis and Jake Marshall and individual winners, William Dennis(2), Kyle Mummery, Georgina Marsh, Grace Dennis, Andrew McNulty and Joe Harvey all in Personal Best times.

All the swimmers applied themselves to the task and the level of commitment is reflected by in the 32 individual events BSC swimmers had 19 PBs and added a further 17 in the relay events.

This was tough opposition and BSC swimmers did well to raise their game.

An excellent team endeavour.

Thank you to all the helpers.

Result:

Kingfishers 128

Adwick 121

New Earswick 112

Bridlington 111
