

200m (8 lengths) Championship

Sunday evening Bridlington Swimming Club held the second of their 200m (8 lengths) Championship.

Swimmers completed the distance in Breaststroke and Butterfly, possibly the least popular of all the strokes. In spite of the appalling weather the club was well represented.

Breaststroke:

The boys went first. There were excellent races, everyone striving to do their best, reflected in their PB times.

Josh Brown and Daniel King had a real battle and clocked the same time with judges decision deciding the places. William Dennis swam well and won in 3.04.55. Tom King was second, Brandon Lino third, Matthew Cawkill fourth and James Cawkill fifth.

They stood on the podium but were unable to receive their medals as weather conditions prevented them being available. All medals will be presented at a later date.

Grace Dennis comfortably won the girls event in 3.12.55, taking 30 seconds off the time she set last season showing her outstanding improvement.

Georgina Marsh was second, Yasmin Brown third, Sarah Witty fourth and Rianna Manson fifth. Georgina and Yasmin were split by just 1 second.

Like the boys all the girls worked hard and were rewarded with PB times.

Butterfly:

Again excellent races, close finishes particularly Katie Nicholson - Rebecca Witty and Rose Dennis - Ellie Hughes, both couples being divided by fractions of a second.

Boys William doing the double first, Tom King second, Brandon Lino third, Jack Cowell fourth and Matthew Cawkill fifth.

Girls Grace Dennis in 2.35.56, Georgina Marsh second, Yasmin Brown third, Sarah Witty fourth and Rebecca Keyworth fifth.

Completing the line up: Sophie Holdsworth, Bethany Botham, Megan Pattinson, Emma Sandbach, Maya Bentley, Danielle Coverdale.

It was an exciting evening well supported with lots of encouragement for the swimmers.

The coaches congratulated swimmers and supporters for braving the weather to provide such an entertaining event.

They were very pleased with the number of younger swimmers who had a go.

Well done swimmers and thank you to all the adult helpers and Leisure World staff.
