

Bridlington Swimmers Go to Rotherham Meet

16/17-01-10

Some Bridlington Swimmers travelled to Sheffield last weekend to race in the fabulous Olympic pool, Ponds Forge.

It was a long course meet, which meant swimming races that are the whole 50m length of the pool and was the first time that some of the swimmers had ever seen a 50m pool, never mind raced the whole length before.

The experience was brilliant and almost every swimmer rose to the occasion by matching or attaining personal best times.

Adam Morland and Sophie Holdsworth were there for all of Saturdays races and Yasmin Brown, Brandon Lino and Thomas King were there for the both Saturday and Sunday races, with their whole families there to cheer them all on.

All the swimmers did really well and most brought home medals.

The spectators enjoyed being at Ponds Forge with the giant scoreboard and fantastic viewing but what made it special was to see all the Bridlington swimmers enjoy such a venue and how brilliant they all were!

A photograph of the swimmers is now on the 2010 images page.
