

# Poolside Helpers Needed!!!!

The Club urgently needs help on the poolside, both for galas and training sessions. If you want to learn more about the club and would be interested in training, please contact Geoff or a member of the committee.

If you have some spare time and want to be more involved with your child's hobby, please consider working alongside our team of teachers and helpers. The coaches will be happy to support your training. An **Assistant Teaching Course Level 1** is due to be held at Bridlington Leisure World shortly . Please see Geoff for details.

If teaching is not for you, how about offering to help with **timekeeping, poolside help , fundraising** etc.

Our club needs your help so we can develop and progress for the benefit of our youngsters.

Please give it a try .....it is very worthwhile!!!
