

BSC

Teaching Group Championships

Friday 24th November 2006

A really good evening event with almost 100 % attendance.

This is open to all teaching group members.

The Referee and judges had to be on their toes as several of the events had swimmers almost touching together.

Margaret Greenall presented medals to the first 3 swimmers and pennants to 5 and 6 positions.

Every swimmer came away with something.

Results:

Boys

9years

Kai Hall 4 Gold

10 years
